Welcome to the FEMA Request for Public Assistance (RPA) process. Over the next few minutes we will ask you a series of questions regarding your organization, contacts, mailing addresses, and supporting information. Once complete, you will be provided with the opportunity to review your submission and, once you are satisfied, you will then be able to directly submit your RPA to FEMA.

Following submission you will receive automatic notifications and will be able to track the progress of your RPA review. If your organization is deemed eligible for Public Assistance by FEMA, you will be automatically notified and will be able to use this system to collaborate with your FEMA partners.

Congratulations! Your Request for Public Assistance has been successfully processed and has been submitted to your Recipient Organization for review. Once reviewed by your Recipient Organization it will then be submitted onward to be processed by FEMA.

Over the next several days you will receive additional information on the status of your Request for Public Assistance eligibility review. If your organization is deemed eligible for Public Assistance, you will be assigned a Program Delivery Manager (PDMG) who will serve as your single point of contact for FEMA’s Public Assistance program. The PDMG will call you to briefly discuss your disaster damages and set up a face-to-face meeting called the Recovery Scoping Meeting. This meeting is designed to discuss in detail your damages and documentation needed to support your claim.

In preparation for the call with the PDMG, please develop a list of damages your organization has sustained from the event and enter them on the Event PA Requests Profile accessible here. Your PDMG will discuss this list with you during the call and emphasize the development of your Damage Inventory using the PA Grants Portal.

Thank you for your submission, and we look forward to working with you and your organization.
