Government

INSPIRED TO MAKE YOUR GOVERNMENT RUN BETTER

EFFECTIVE GOVERNING STARTS WITH UNDERSTANDING STANDARDS AND RISKS

The government industry faces constant change and a variety of challenges. Accounting standards are complex, but your state, county, municipality or public agency can navigate these unsettled waters with the help of an experienced professional. With Eide Bailly, you have access to training, internal audit, forensics, internal controls analysis and testing, GASB implementation consulting and more, which can help your organization stay on top of changes.

Industry Involvement and Thought Leadership

Our team members are truly engaged in the governmental industry and are well positioned in organizations associated with governmental entities. We present at dozens of national venues each year, and we are leaders in a variety of areas, including:

- The Governmental Accounting Standards Advisory Council (GASAC)
- The AICPA's Governmental Audit Quality Center
- AICPA State and Local Government Expert Panel and PCPS Technical Committee
- Local and national boards of the AGA
- The review committee for the GFOA's Certificate of Excellence for Achievement in Financial Reporting

STATE AND LOCAL GOVERNMENTS ARE EVOLVING DUE TO:

- New GASB Standards
- Budgetary Constraints
- Fiscal Sustainability Pressures
- Technology and Transparency
- The "Silver Tsunami"
